SurfTab® wintron 8.0

8" Windows tablet with Intel Inside®, 16 GB storage capacity and 1 GB RAM

Multimedia and Office in one
Do you want to benefit from the power and versatility of a notebook but not miss out when it comes to mobility? If so, the SurfTab wintron 8.0, based on Windows 8.1 Update, is just right for you! Enjoy all the benefits and considerable flexibility of your home PC on the wintron 8.0. The intuitive touch functions and tile applications take centre stage, but you do not have to forego the familiar Windows desktop view. As a bonus, the full Office package (Office 365 Personal) is also provided free for one year. Experience it for yourself – when combined with the ultra-powerful Intel® processor, it is ideal for both home entertainment and office use.

Hardware with strength and stamina
Look forward to the perfectly aligned, high-performance CPU, the Intel Atom Z3735G processor with a clock speed of up to 1.83 GHz and 1 GB of RAM. You'll soon be carried away by its consistent performance. What's more, the wintron 8.0 boasts a sharp resolution of 1280 x 800 pixels. This makes it ideal for watching films, playing games and viewing photos in brilliant quality or for reading e-books in the evenings.

Build on what you know and discover something new
The wintron 8.0, which is equipped with Windows 8.1 Update, hardly differs to a notebook in terms of performance and diversity and is forcing the issue of mobility. Use the tile apps to place the functions you need most directly on your home screen so that you can quickly access your contacts, apps, websites and much more. If you like, you can also switch to the familiar Windows desktop view at any time.
Enjoy all the benefits and considerable flexibility of your home PC on the new wintron 8.0. Thanks to Office 365 Personal1, which you can even run on a second PC or Mac, you can now use your SurfTab to quickly and easily complete many of the tasks you previously carried out on your computer. Whether it's writing texts, editing spreadsheets or preparing presentations – you can tackle it all on your SurfTab! 1 TB of online storage via OneDrive2 rounds off the Office offer. This means you can access all your documents and files at all times without using any external storage devices. To save all your important items, the wintron 8.0 features a 16 GB internal flash memory that can be flexibly extended up to 128 GB using a microSD (HC/XC) memory card.

Get connected!
The wintron 8.0 is equipped with all vital interfaces to ensure that you are always perfectly connected and have a suitable connection for every situation. Alongside a Micro-USB host port, a microSD/microSDHC/microSDXC card slot and an audio out socket, there are even WiFi and Bluetooth 4.0 wireless interfaces.

SurfTab® wintron 8.0

8" Windows tablet with Intel Inside®, 16 GB storage capacity and 1 GB RAM

The multi-touch interface of the wintron 8.0 impresses with quick response times and accuracy, allowing you to operate the various SurfTab functions in a highly intuitive and relaxed manner. The 8" IPS display of the wintron 8.0 provides you with crisp, sharp images, even from awkward viewing angles, and it reproduces high-resolution videos in razor-sharp quality. The high-performance Intel HD Graphics GPU makes light work of the most difficult tasks and is the driving force behind your unforgettable multimedia experience.

Capture unforgettable moments
A high-resolution 2 megapixel camera on the rear of the wintron 8.0 allows you to capture the most precious moments of your life as snapshots or videos. Thanks to the 0.3 megapixel front camera, you can stay in contact with your friends or colleagues anytime and anywhere by holding spontaneous video conferences.
